1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of TCWS.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I object to this increase as an 18% increase was awarded in 2010, with no significant upgrades to our outdated system as a result. In addition, the level of water/sewer/customer service provided by TCWS is substandard, including actually forgetting to turn water back on for customers after performing repairs in the area.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
